Mark Your Calendars For The Sally Gary Conference

In today's culture, there are many competing ideas and beliefs about gender and sexuality. In the church, we also have many questions: How do we respond to those close to us who struggle with same sex attraction or have questions about their sexual identity? How do we love those who hold different beliefs than we do? How do we help our children have a healthy and holy view of Scripture and sexuality?

Join us on the weekend of January 28-29 as we welcome Sally Gary, renowned author, speaker, attorney, and director of CenterPeace, a Christian organization that helps churches navigate these and many other questions regarding faith and homosexuality. Sally has helped Churches of Christ across the country engage in this critical conversation in a loving, respectful and Christ-honoring way. Please make plans to join us for a workshop on Saturday and in worship on Sunday.

Join Us For Our Wednesday Night Classes Classes start at 6:30 p.m.

The Scriptures And Other Christian Writings

Join us each week in the Bride's Room as we pray, discuss, and explore Scripture along with other significant Christian writings. Weekly reading required for participation in class discussion.

Like To Sing?

The singing class provides the opportunity to sing favorite and beloved hymns and songs. A love for singing is the only requirement for this class. Please join us on room 226.

Why The Law?

This will be an exploration of various aspects of what God intended for the Law of Moses to accomplish. Special focus will be placed on looking at what message this sends for us today as we struggle with some of the same issues and looking at how Jesus dealt with questions regarding "The Law." This class meets in the Garden Room. Facilitated by Rodney Thomas

The Torah

An in depth study of the Books of Moses with an emphasis on the four lenses:

1. What can we learn about the nature of God.
2. What can we learn about how God wants His people to live.
3. What foreshadowing or pictures of the Messiah can we see.
4. How do we see God developing His plan to redeem sinful man.

Join us in room 138. Facilitated by Lynn Harms
