 Join us in room 138.
 Facilitated by Lynn Harms.

Do You Enjoy A Good Book?
 The Book Club meets in the library.

Saving Money

In our 2017 budget year we made a change in the way we provide cleaning services for our church building. We made these changes based on several issues. One of those issues was our desire to spend more of our funds on direct ministry. A decision was made by the Elders to hire an additional minister to work with our campus ministry in order to allow us to have greater outreach among the booming student population at Texas Tech University. This includes giving greater attention to the blossoming ministry began by Tim and Rebecca Talley with International students. This ministry has been a blessing to and encouragement to so many.

Secondly, the feeling was that we as a church family could, and should, do a better job of caring for our facility and cleaning up after ourselves. As part of this initiative the Safety Team has taken over the role of locking and unlocking the building on Sundays. I want to thank all of those who have stepped up to serve our church community in this way.

In this effort we need your help. We have purchased additional vacuum cleaners and placed them around the building. If you make a mess can you help us by cleaning it up? If you have an event could you take your trash out of the building, without dripping grease, or water, to the blue dumpster in the east parking lot? Can you turn off lights in areas that are not being used?

These may seem like small things, but they all add up and give us the ability to spend more of the funds that the Lord has entrusted to us for reaching out and building the kingdom. Thank you to everyone for all that you do in support of the cause of Christ.

Rodney Thomas
