Help Needed!

Carpenter's Kitchen is a great ministry where we feed a meal on Sundays to anyone that wants to come eat. We need a volunteer to help set it up a few times a year. Help is needed from 9:30 am to 12:30 pm. We have several people that already help with this throughout the year. You would unlock the Youth Reach Building, located at the NE corner of our parking lot, and get things set up for the meal. Each week there would be a group of people who volunteer to prepare and serve the food. We just need an extra set of hands to help coordinate a few Sundays a year. If you would be interested in volunteering for this great ministry, please contact Camille Whitney in the church office at 763-0464. Thank you!
