As a church family, we are providing a special Bible storybook for our new Kindergarteners and special Bible for our 5th and 6th graders. We are looking for people to help cover the cost of these Bibles and to commit to praying for a child for one year. When you sign-up we will give you the name of a child to pray for and we encourage you to make a special connection with him/her and let them know you will be praying for them. Look for sign-up forms in your adult Bible class!

## Offering Slideshow

During the offering you will begin to see a slideshow dedicated to our church family and how they are Pursuing God, Building Community, and Unleashing Compassion. Featured this week is Christ in Action, Physical Plant, Promotion Sunday, and Guys, Guns, and Gospel. Contact Emilee at (806) 763-0464 if your Sunday School Classes or Small Group would like to show how you are participating in our core values!

## Physical Plant

Building gates is hard work, yet our physical plant team made it seem like an easy process. Christ in Action has a brand new gate to start their school year.

## Promotion Sunday

As Summer comes to a close all things grow and become new! Our kiddos got the exciting experience of moving up grades at church.

## Feeding Frenzy

Every year Broadway is blessed with the joys of hungry students rushing in our doors. At the Christ in Action building we fellowshiped, began building community, and enjoyed the musical yodeling of Tim Talley. Students were fed and great times were had by all.

## Christ in Action - Welcome Week

This week Christ in Action was busy as they welcomed students back to LCU, Tech, and South Plains. The week started off with Feeding Frenzy and continued throughout the week with themed days. Some of the themes being: Moving Monday, Taco Tuesday, Worship Wednesday, Thumpin' Thursday, and Foreign Friday. This first week was a success and we can't wait to hear what fun CA gets into this school year!

**Hurricane Harvey Disaster Relief**

As a church, we plan to partner with Christian Relief Fund (CRF) and Disaster Response Team (DRT) to insure resources are being directed in the best possible way. Milton Jones, with CRF, has indicated 100% of all funds contributed through them will be directed to actual disaster relief. There will be no waste. DRT does an excellent job and will likely stay engaged in this region for at least 2 years.

If you wish to donate, please follow the link below. We thank you in advance for your gift.
