**Charting The Turbulent Waters of Long Term Care**

A free informational meeting led by Broadway member Lee Franks, a partner in the elder law and estate planning team of Franks and Pleasant, will be held on September 24th at 3:00 pm in room 138. Lee's primary purpose will be to highlight issues having to do with estate planning, durable power of attorney, medical power of attorney, Medicaid eligibility, and long term nursing care. He will also offer possibilities to those with handicapped children who want to provide for those children past their own lifetimes. Misconceptions will be dispelled, and a question-and-answer period at the end of the program will address the individual needs of those present. The seminar is open to all Broadway members as well as their friends and neighbors who may be struggling with trying to do the best thing for their future, or that of their loved ones. Learn about protecting your family members, while also protecting yourself. Don't make caregiving more difficult simply because you are doing it the hard way without the right tools. Help IS available.
