On November 4, 2011, Anabel Reid left her earthly home to join her LORD. Anabel lived to serve and one of her passions was water. Anabel was pursuing a degree in Environmental Science at ACU with the plan to bring clean water and Living Water to those in need.

Friends and family of Anabel adopted a 2 mile stretch of CR 5300, the road that leads to the Reid family farm. Come join us as we clean the byway in order to raise \$ and awareness for Water4. (Bring your gloves, wagons and donations!) Afterwards, join us for Frito pie and some sweet fellowship.

Water4 (<http://www.water4.org>) exists to empower people in developing countries to affordably and sustainably tap into the water that sustains life, because... WATER CHANGES EVERYTHING!
